Department of Chemical Engineering
National Taiwan University
Taipei, Taiwan 10617
TEL +886-2-3366-3006 FAX +886-2-2362-3040
e-mail: daming@ntu.edu.tw

**Present Position:**

Professor, Department of Chemical Engineering National Taiwan University

PROFESSIONAL SPECIALTIES:

Membrane separation, Preparation of polymer membranes
Mass transport in membranes, Biomaterials

EDUCATION

Ph. D. in Chemical Engineering, Pennsylvania State University, USA (1992)
B.S. in Chemical Engineering, National Taiwan University, Taiwan (1983)

EXPERIENCE

Professor, Department of Chemical Engineering, National Taiwan University (2002-present), Associate Professor (1998-2003)
Chairman, Department of Chemical Engineering, National Taiwan University (2013-2016)
Director, Yen Tjing Ling Industrial Research Institute, National Taiwan University (2011-2013), Deputy Director (2007-2011)
Editor of Journal of Chemical Engineering of Japan (2009-present)
Editorial Board, Journal of Taiwanese Institute of Chemical Engineers (2006-2015)
President, Taiwan Society for Chitin and Chitosan, 2014-2018
President, Taiwan Membrane Society, 2017-present

PUBLICATIONS:

95 refereed SCI publications, 7 patents
